— BARRY & SANG MILEA

OUR STORY

The Milea's have a 100 year farming history in the Hudson Valley, going back to Barry Milea's grandfather. Barry and Joe Milea purchased the original farm in 1984 and expanded it in 2019 to include the Farmhouse tasting room, clubhouse and vineyard. In 2022, Milea welcomed a Cornell University winemaking faculty member to lead the company. The mission of Milea Estate is to bring you the best wines made from Cabernet Franc, Chardonnay and Central European varieties and we are honored to have garnered international accolades for our efforts. We welcome you to enjoy Milea Estate Vineyard.

MILEA TASTING

2021 GRÜNER VELTLINER

Austria's most famous white grape. The Grüner Veltliner for this wine was sourced from a vineyard near Lake Erie. The proximity to the lake creates a moderate grape growing climate that allows the fruit to reliably reach full maturity by the end of the growing season. The wine exudes aromas of lemon, orange, white pepper and a hint of apricot, much like the Grüner Veltliners of its native home. The wine is light, dry and presents with a mineral acidity.

2022 ROSÉ

Made by Hudson Valley's 'Best Rosé Winery of the Year' for 2022, this wine offers a sensory journey through fragrant notes of strawberries, Rainier cherries, luscious watermelon, and a hint of orange blossom.

2021 RESERVE CHARDONNAY

For the 2021 Reserve Chardonnay, our winemaking team used 100% Musqué clone 809 from one of our partner vineyards on Long Island. This clone of Chardonnay is particularly special, as it naturally produces tropical fruit aromas of pineapple and honeysuckle. The wines were then fermented in neutral oak barrels. The neutral oak fermentations impart breadth upon the palate without contributing to noticeable oak aroma, respecting the unique aromatic quality of the clone.

2021 FARMHOUSE CABERNET FRANC

Embark on a journey that celebrates the pinnacle of New York's Cabernet Franc through our Farmhouse series. This meticulously crafted wine brings together the finest vineyards from the Hudson River Region and Long Island, epitomizing the artistry and elegance of this exceptional varietal. It offers a bouquet of vibrant red cherries, accompanied by delicate notes of graphite and a subtle minerality, serving as a testament to our glacially derived Hudson Valley soils.
