— BARRY & SANG MILEA

OUR STORY

The Milea's have a 100 year farming history in the Hudson Valley, going back to Barry Milea's grandfather. Barry and Joe Milea purchased the original farm in 1984 and expanded it in 2019 to include the Farmhouse tasting room, clubhouse and vineyard. In 2022, Milea welcomed a Cornell University winemaking faculty member to lead the company. The mission of Milea Estate is to bring you the best wines made from Cabernet Franc, Chardonnay and Central European varieties and we are honored to have garnered international accolades for our efforts. We welcome you to enjoy Milea Estate Vineyard.
