*Your story,
with love*

From Barry and Sang Milea

Congratulations on your engagement! What an extraordinary journey you're beginning together. When we first envisioned Milea Estate Vineyard, our hearts were full of dreams about creating a place where life's most precious moments could unfold.

As a family-run vineyard, we believe deeply in the importance of family and connection. It's the foundation of everything we do.

This belief is why we have chosen to host only a select number of weddings each year. It's not about exclusivity; it's about devotion. This approach allows our family to dedicate ourselves completely to yours, ensuring every detail of your day is crafted with the care and attention it deserves.

We want to provide the best possible experience as you begin your new life together. From our family to yours, we would be deeply honored to be a part of your love story. We can't wait to help

A Vow to Remember

A wedding day is not a single moment, but a constellation of them—each one precious, fleeting, and irreplaceable. It's the gentle morning light filtering through old farmhouse windows as you prepare with those you love most. It's the pause at the threshold before walking down the aisle, when time seems to hold its breath. It's the way your beloved's eyes find yours across a room full of laughter and celebration, creating a moment of perfect stillness in the midst of joyful chaos.

Here at Milea Estate, these moments unfold against a backdrop that seems painted by nature herself. Rolling hills cascade toward distant mountains, their slopes dressed in neat rows of vines that catch the golden hour light like captured sunshine. Ancient stone walls tell stories of generations past, while the restored 1799 farmhouse whispers of countless celebrations held within its walls. The vineyard itself becomes a living witness to your promises—the same earth that nurtures our grapes now holds the roots of your new beginning.

THIS IS THE HEART OF THE MILEA EXPERIENCE—WHERE THE BEAUTY OF THE HUDSON VALLEY LANDSCAPE IS TRANSFORMED BY OUR CULINARY TEAM INTO AN UNFORGETTABLE, AWARD-WINNING TASTE OF THE ESTATE.

This is not merely a venue; it's a sanctuary where your love story finds its perfect setting. Every corner holds the possibility of magic: the quiet anticipation of morning preparations, the breathless moment of first sight, golden hour portraits among the vines, and intimate celebration that follows. The very air shimmers with possibility, carrying grape blossoms' scent and the promise of harvest yet to come.

In the pages that follow, you'll discover not just what we offer, but how these offerings weave together into something greater—a tapestry of moments that become your most treasured memories. Each detail, from wines we pour to meals we serve, from spaces we create to experiences we craft, exists to honor the profound beauty of this day and the love you've chosen to celebrate.

Let these pages be your invitation to imagine: your story, your moments, your vows—all unfolding in this place where time moves like honey and every detail is touched with grace.

UNDER THE WARM GLOW OF CANDLELIGHT, THIS IS WHERE YOUR TWO FAMILIES BECOME ONE. A TABLE FILLED WITH SHARED STORIES, JOYFUL LAUGHTER, AND THE CLINKING OF GLASSES, CELEBRATING THE BEGINNING OF YOUR NEW CHAPTER.

Your wedding day unfolds here in chapters of pure emotion. It begins in the quiet anticipation of a shared glance in the mirror, followed by the graceful descent of a bride on her way to a new beginning. The story builds with a breathtaking first look among the vines and the pride in a father's steady arm down the aisle, leading to that moment of unbridled joy as you return as one.

As the sun dips below the horizon, casting a warm, golden glow, the day settles into an intimate embrace. This quiet romance gives way to a magical celebration under a canopy of lights, where laughter travels down a long table and two families feel truly connected. These are the moments that become your forever.

A Taste of the Estate

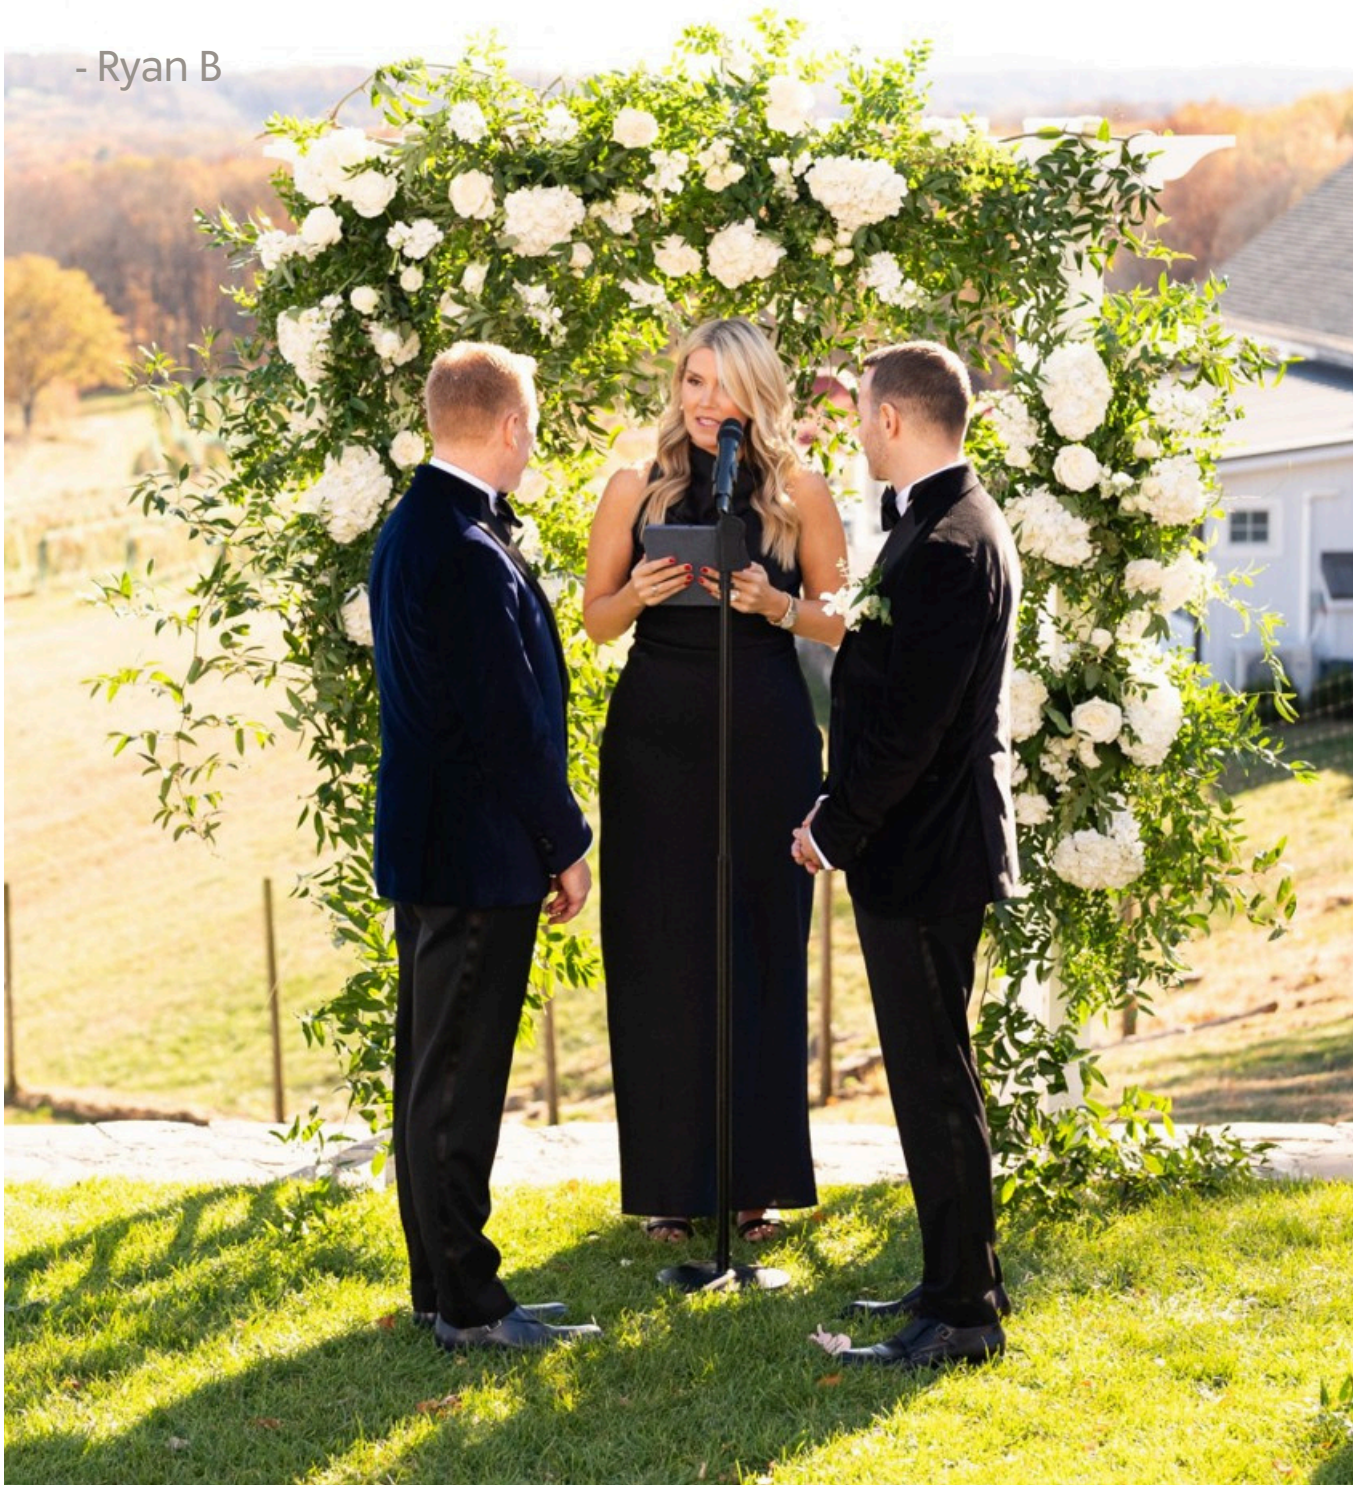

AWARD WINNING FOOD AND WINE

Your wedding should be a feast for the senses, where every element works in perfect harmony to create an unforgettable experience. At Milea Estate, our wine and culinary programs are crafted as one inseparable vision—estate-grown grapes transformed into exceptional wines, perfectly complemented by Executive Chef David Kim's artful creations. This seamless integration of terroir-driven winemaking and sophisticated cuisine creates what we call a complete Hudson Valley food and wine experience, where each sip enhances each bite, and every moment becomes a celebration of place and passion. From the moment your guests arrive for cocktail hour with our sparkling wines to the final toast with our reserve collection, every pour tells the story of our land.

"The venue was perfect; our guests still rave about how beautiful it was and how delicious the wine tasted."

- Ryan B

"Our guests were equally blown away, especially with the menu. The presentation was nothing short of spectacular, and all of the flavors were truly wonderful. It's clear that the culinary team at Milea takes great pride in their work."

- Lana P.

Executive Chef David Kim brings his classical French training and Korean heritage to every dish, creating menus that honor seasonal Hudson Valley ingredients. His background training under Chef David Bouley brings Michelin-star expertise to your celebration, while partnerships with local farms ensure peak freshness. Our wine program showcases three distinct collections: the approachable Farmhouse Collection, the limited-production Devotion Collection, and the Hudson Heritage Collection. Each wedding menu is thoughtfully paired with wines that enhance the flavors, creating harmonious combinations that elevate both the cuisine and wine.

Our commitment to excellence isn't just philosophy—it's proven recognition. Milea Estate has earned "Best Winery in the Hudson Valley" twice, along with "Best Food at a Winery in the Hudson Valley." Our wines have achieved 92 points from Wine Enthusiast for our 2022 Cabernet Franc, with multiple 90+ point ratings from both Wine Enthusiast and Decanter Magazine. These accolades are our promise that every glass poured and every plate served will reflect the exceptional standards that define truly memorable celebrations.
