OUR STORY

Milea Estate has a 100-year farming legacy in the Hudson Valley, dating back to Barry Milea's great-grandfather. Barry and Joe Milea purchased the original farm in 1984 and expanded it in 2019 to include the Farmhouse Tasting House and Clubhouse. In 2023, Milea launched Hudson Valley Vineyards in Clinton Corners, a new project focused on méthode champenoise sparkling wines. A dedicated tasting room will open soon to showcase these wines. Milea is committed to sustainability through responsible farming, minimal intervention winemaking, and long-term care of the land. Our mission is to produce exceptional wines from Cabernet Franc, Chardonnay, and select Central European varieties. We are honored by the international recognition we've received and invite you to experience Milea Estate Vineyard.
